Letter From The Committee

The 50 year reunion of the Class of 1959 is now past, it was a great week end of activities. It was wonderful to see and visit with so many of our classmates again, some of whom we hadn't seen in 50 years. We want to thank all those who attended who made it such a happy and enjoyable occasion.

We all went our separate ways 50 years ago and swore to keep in touch but that didn't always happen. It seems that as we grow older, our friendships and memories from our youth become more precious. That is why it is so good to refresh and renew those friendships and memories from time to time with our reunions. The warm feeling of that weekend was so nice. People seeing old friends and talking about their lives, children and grandchildren was so amazing. So many pictures were shown and so many phone numbers and addresses shared. It's our desire and our hope that we can get together again soon.

Thanks to all of you for your support over the years. But most of all thanks for your friendship and camaraderie since our teen age years, and for making our lives more enjoyable and meaningful then they would have been if we had never know each other.

Please contact us if you move!

We hope you enjoy this Memory Book. Until we meet again!
