

Q Quotations

"This is genuine democracy, but in reality the strong always rule."
Muammar el-Qaddafi

el-Qaddafi, Seif:

"I've been away from the Libyan people for ten years. You need to come back slowly, slowly. Like a striptease. You need to play with their minds a little."

Biden, Joe: 'Inshallah...God plans, and man laughs.' via
Tamara Qiblawi

"We are ready for any unforeseen event, that may or may not occur."
Dan Quayle

"But for the grace of God, I wouldn't be close to the 1 percent."
Leslie Quick

"The committee is the enemy of the eloquent."
Anna Quindlen

"...consider what "doing better" really means. If you are part of the first generation of Americans who genuinely see race and ethnicity as attributes, not stereotypes, will you not have done better than we did? If you are part of the first generation of Americans with a clear understanding that gay men and lesbians are entitled to be full citizens of this country with all its rights, will you not have done better than we did? If you are part of the first generation of Americans who assume women merit full equality instead of grudging acceptance, will you not have done better than we did?"

Anna Quindlen, Commencement 2011

"Constant testing no more addresses the problems with education than constantly putting an overweight person on the scale cures obesity."
Anna Quindlen in Newsweek

Daniel Quinn Ishmael, etc.

"Religion is a barbiturate, dulling the pain and putting you to sleep. Revolution is an amphetamine, revving you up and making you feel powerful. When people have nothing else going for them, they'll grab either one - or both." also homeless and sustainability.

"We should not write so that it is possible for the reader to understand us, but so that it is impossible for him to misunderstand us."

"Write quickly and you will never write well; write well, and you will soon write quickly."

— **Marcus Fabius Quintilianus** on writing

Quixote:

"Too much sanity may be madness – and the maddest of all – to see life as it is, and not as it ought to be."

Don Quixote via Cervantes

"The Don Quixote Principle is the willingness to persevere despite real or imagined obstacles and villains with the goal of heroic action and a more perfect world. Into this definition, the solar industry and all of its participants falls quite neatly."

Paula Mints

Quran: "And when the work of Creation was completed ... the Lord said to the angels. 'I have to place a trustee on the earth'."
